The Nugget Casino Resort

When to Call for Reservations

You can call at any time to make your hotel reservation. We are pleased to offer a first-class resort hotel as the Host Hotel for the 2018 MAFCA National Convention. The guest rooms in the west tower of the Nugget Casino Resort have recently been renovated and will be available at your check-in. As a matter of fact, nearly the entire hotel has been remodeled and brought up to date, including the casino floor with a new fresh air ventilation system.

Your room will have a coffeemaker, refrigerator, and flat screen TV. Additionally, included in your room package are the following: complimentary wireless Internet, complimentary local calls, daily complimentary bottled water (two per day), Round-trip shuttle transportation to and from the Reno-Tahoe International Airport, unlimited use of the Atrium pool and the new state-of-the-art fitness center, full service concierge, and complimentary Valet and self-parking in the secured covered parking garage.

The cost will be \$79.00 per night, which includes the resort fee; Washoe County room tax is an additional 13.5%. This is the same room rate those who attended in 1998 paid, a real bargain. Those who want to come early or stay late will get a deal. The hotel is offering you the same rate three days prior to the Convention (providing you register before April 1 for Friday and Saturday nights) and three days after the Convention. Take advantage of that rate and don't miss any of the sights this beautiful valley has to offer.

Making your reservation is easy. Call the group reservation number, **1-800-843-2427** and use the code **GMODEL**. This will get you a single or double occupancy room with either 1 King or 2 Queen Beds. Triple and Quad occupancy rates are \$10.00 per person over that rate. To get a premier room for an added cost let your reservation assistant know and they will explain what options are available.

RV Parks and Accommodations

If you plan to bring an RV or travel trailer to the Convention there are several resort parks in the greater Sparks/Reno area. Here is a brief summary of a few of the nearby RV parks. All of the parks have full hook-ups, pull thru and back-in spaces of varying length and 30/50 amp electric service. Be aware that several parks close by, including Rivers Edge and Victorian are currently (summer 2017) only offering extended stay rentals, mostly to employees involved in construction of the Tesla factory in Sparks. Call these parks directly for more up to date information on accommodations. The convention hosts are not involved with RV reservations so you are welcome to make your own at any time.

The Good Sam RV Park & Resort Network rates facilities on three 10-point scales. The first number evaluates sites, hookups, recreation, and such. The second number measures restrooms and showers. If a park achieves a full point in each of the restroom areas it receives a star () for exceptional cleanliness. The third category is visual appearance including signage, appearance, maintenance, noise and more.
