

## Updates and New Information – 9/21/17

At this time the tours to Fallon Naval Air Station are filled. We are working with the Navy and our tour guide to add additional tours. When registering please indicate if you would like to be placed on the waiting list. Do not send payment for the tour with your registration. You will be notified if additional tours are possible.

There has been a schedule change for the technical seminar, “**Do It Right Using the Guidelines to Restore / Buy Parts.**” It will now be presented in the morning from 8:00 to 9:30 instead of the afternoon.

As a clarification to the registration form: Convention registration cost is per family, not per person.

Registration forms have been coming in with errors. Most of them could be avoided by finding answers to any questions in the instructions. Almost all errors are on the handwritten forms.

Please check our website in the Updates section periodically for the most current information.
