Car Judges Needed

Are you planning to attend the MAFCA National Convention in Sparks, Nevada this June? Please think about volunteering to be a car judge. We are running a little low on judges and volunteers for the Vehicle Judging Event. All that is required is that you take one test to become an Apprentice Judge. You will get a free breakfast and free lunch and an opportunity to learn more about your Model A. Please contact Tom Jeanes at Toms30ford@aol.com.
