IMPORTANT NOTICE REGARDING PRE-CONVENTION ROOM RESERVATIONS AT THE NUGGET CASINO RESORT

The Nugget Casino Resort has notified us that we have reached our contractual limit on the number of \$79/night reservations for Friday, June 22 and Saturday, June 23 only. This means that anyone making pre-convention hotel reservations at the Nugget Casino Resort after April 1 will be charged the prevailing rate for a room for those two nights only. The prevailing rates for these two dates can change daily and will depend on which day is involved. If you have already made a reservation for these two pre-convention nights with the Nugget Casino Resort they will continue to honor those reservations and price commitments.

This change in hotel rates in no way affects the \$79/night rate we have negotiated for the Convention dates of June 24 through June 29. In addition, the Nugget Casino Resort has assured us that they will honor the \$79/night rate for 3 days after the Convention if any Convention attendees decide to extend their stay in Reno for the weekend.

We regret this change in reservation rates but it will impact only a few Convention attendees and lodging alternatives exist in the Reno/Sparks area.
